

PARTH THAKKAR

Ahmedabad,India | parththakkar1013@gmail.com | 7778063018

Computer Engineering graduate (CGPA: 9.34/10) with hands-on experience in Java, Spring Boot, React, Node.js, and SQL. Built and deployed full-stack applications involving REST APIs, authentication, database design, and scalable backend logic. Strong foundation in data structures, object-oriented programming, and software engineering principles. Oracle-certified in Java and OCI with top scores. Passionate about solving real-world problems through technology and seeking opportunities in Java Backend, Full-Stack, or MERN Stack Development.

PROFESSIONAL EXPERIENCE

Programming Intern , Peersale Company Inc.

07/2024 - 09/2024, Greensboro, NC

- Analyzed system workflows and evaluated application modules for functional accuracy.
- Prepared structured test cases covering validations, API behavior, and edge-case scenarios.
- Collaborated with developers to verify backend logic and ensure module consistency.
- Improved system reliability through detailed testing and documentation.

Web Developer Intern, Innovate MR

Jan 2026 - Present

- Built scalable backend services using Node.js & Express, handling CRUD operations with MongoDB
- Integrated frontend with backend APIs using Angular, ensuring efficient state management and data binding
- Debugged and improved application performance, reducing response time and fixing critical issues

PROJECT

AI Analytics Cricket Score Management System

- Built a full-stack cricket management and scoring system with live match updates, team/tournament management, and REST API integration using MERN stack
- Developed an AI-based analytics dashboard for player performance analysis, trend detection, and match outcome prediction with interactive data visualizations

Amenity Booking System (MEAN stack)

- Developed a full-stack amenity booking system using MEAN stack, enabling users to book, manage, and track facility reservations with real-time availability
- Implemented authentication, role-based access (admin/user), and booking workflows with REST APIs, including approval/rejection logic and conflict handling

EDUCATION

Bachelor of Technology in Computer Engineering

2022 - 2026

- Indus University – Ahmedabad, India
- 9.34 CGPA

CERTIFICATIONS

- Oracle Cloud Infrastructure 2024 Generative AI Professional
- Oracle Certified Expert, Java EE 6 Web Component Developer
- Oracle Certified Professional, Java SE 6 Programmer

SKILLS

C, C++, Java, Python, HTML, CSS, JavaScript

Spring Boot, Spring Web, Node.js

React.js , Angular.js , Android

MySQL, MongoDB

VS Code, Android Studio, Postman, Eclipse, Spring Tool Suite
